About This Collection

Night falls on a cartoon scene where mountains rise above trees and a boat rests on still water. Celeste sits among midnight mountain views. Some screens go dark with a black window design, tech minimalist and clean, while others open onto a waterfall or red flowers drifting past clouds. A colorful mountain sunset glows behind winter forest walls, snow on the branches and birds crossing the sky. Every frame is a wallpaper built for dual screens and laptops. Take a look at the full gallery through the link above.
